## To Whom it May Concern,

### Reference for Aaron Munroe – Retail Project Management Ltd.

I have had the pleasure of working with Aaron for the past 15 years - both in my current role and my previous one as Tenancy Delivery Manager at Kiwi Property Ltd.

Whilst I was at Kiwi, Aaron and his team undertook all my tenancy reconfiguration, defit and fitout work across the Auckland portfolio. This necessitated close programme, costs, quality and H&S management whilst working under strict "quiet enjoyment" protocols in the trading shopping centres.

Aaron's service and attention to detail was exceptional. His costs were fair and reasonable and in the extremely rare instances where issues arose, his can-do approach resolved them swiftly with minimal disruption.

Since joining Tailor, I have used Aaron in a similar capacity working across our portfolio of retail clients – both Landlords and retail brands. Regardless of scope, client or location, the quality of service remains constant.

I would not hesitate to recommend Aaron and am more than happy to provide a verbal reference if required. My mobile number is 021 471 326

Regards,

Mike Chapman | GM of Retail
